

VALHALLA PERISHER

Corporate Venue Snowy Mountains NSW

“
We hosted a training session for 10 attendees at Valhalla Perisher.

The service, the rooms, the venue were magnificent.

Each day we were greeted with a fantastic breakfast, lunch, and dinner...

We had the location to ourselves and were able to host training, go for walks, and use the venue to its maximum effect.

We look forward to hosting future training events here.

“

Our staff retreat was a great success.

The rooms were comfortable and spotlessly clean, the staff were attentive and helpful and the atmosphere at the lodge was wonderful. The food was excellent.

We all enjoyed our stay with you and will be back again.
